#### Financial Aid / Payment Plans

See a UBC administrator for more information on the availability and qualifications for financial assistance. Individual payment arrangements are negotiated on a case-by-case basis. UBC only asks that students honor whatever commitment they enter into with the college.

#### Policy for Student Accounts

Student charges are due and payable by the financial clearance deadline for all students. Students choosing to remain enrolled past the last day to drop with refund are obligated to cover all tuition, fees, room and board charges incurred in accordance with the refund policy for tuition charges. The College expects students to complete payment for the current semester before advancing to a future semester. If charges are not covered through the approved payment options a hold will be placed on the student account preventing release of diploma, transcripts and future registration until the balance is paid with verified funds.

#### Financial Clearance

Financial clearance is a Student Accounts Office status which indicates the student has agreed to the terms and conditions of the College's tuition and fee agreement and has also completed payment arrangements through an approved payment option to cover all tuition and fee charges for the semester. To maintain enrollment, students must receive financial clearance from the Student Accounts office each semester in addition to meeting all academic and standard of conduct requirements.

#### Financial Clearance Deadline Dates

All students should pay their balance by close of business day on the deadlines specified below to avoid a financial clearance fee charge and to confirm enrollment.
